**Learn how to:**

- ✓ Successfully teach the *Career Choices* series curriculum and adapt it to meet your particular classroom goals
- ✓ Integrate career and life planning thematically into the academic classroom
- ✓ Motivate students with relevant exercises and activities
- ✓ Help 8th and 9th grade students make a successful transition into high school
- ✓ Help students understand the impact education has on their life satisfaction
- ✓ Help every student involved to have a 10-year Plan
