

ONE-DAY EVENT FOR MIDDLE & HIGH SCHOOL ADMINISTRATORS

Middle & High School College & Career Readiness Workshop

How to Launch Your Students with the Motivation to Succeed

“Career Choices engages all students in real, practical life skills that allow them to see the connections between their high school education plans and their future career paths.”

Gabrielle Garrett, Curriculum Coordinator
Kankakee High School, Kankakee, IL

You'll learn:

- ✦ How *Building a Bridge to Your Future* helps middle school students discover self-efficacy topics that are interwoven with introductory career exploration strategies
- ✦ How the *Career Choices* series curriculum helps entering freshmen develop an online 10-year career and education plan that is quantitative and meaningful
- ✦ Strategies for using each student's 10-year plan throughout high school and/or college for advisory functions and academic coaching
- ✦ About a structured, school-wide program that ensures students are college and career ready
- ✦ Best Practices from schools experiencing success with the process

Discover a curriculum that:

- ✓ Guides the learner through a detailed decision-making process and the development of a plan that is quantitative and meaningful using My10yearPlan.com®
- ✓ Is the foundation for the *Get Focused...Stay Focused!*® Initiative's innovative Progression in Education Model (PEM) for college and career readiness*
- ✓ Addresses the Standards for a Freshman Transition Course from George Washington University's Freshman Transition Initiative**
